

## **PUBLIC WORKSHOP #3**

***FOR IMMEDIATE MEDIA RELEASE: October 15, 2014***

***You are invited to a public forum regarding planning around Fort Indiantown Gap!***

Lebanon and Dauphin Counties, in partnership with other jurisdictions, agencies and organizations in the region, are preparing a Joint Land Use Study (JLUS) to address compatibility planning around Fort Indiantown Gap. The primary objective of the JLUS is to reduce potential conflicts between Fort Indiantown Gap and surrounding areas while accommodating new growth and economic development, sustaining economic vitality, protecting public health and safety, and sustaining the operational missions of the installation.

The public is invited to attend Public Workshops to review, discuss, and comment on the Public Draft of the JLUS Report with the JLUS development team. Two previous public workshops were conducted for the JLUS that provided the public with an overview of the process and solicited input that was incorporated into the JLUS. The Public Draft JLUS will be available on the JLUS website, [www.ftig-jlus.com](http://www.ftig-jlus.com), early November 2014 for review.
